CAREER OBJECTIVE

Highly motivated and ambitious aspiring Artificial Intelligence professional with strong academic achievements and practical expertise in Python programming, AI-driven applications, and modern web technologies. Passionate about exploring advanced concepts in machine learning, intelligent systems, and data-driven problem solving. Seeking admission to a Bachelor of Science in Artificial Intelligence to deepen technical knowledge, engage in innovative research projects, and contribute to developing intelligent solutions that address real-world challenges. Committed to continuous learning, creative problem solving, and making a meaningful impact in the field of AI.

EDUCATION

WISE Indian Academy Pvt School, Ajman, UAE
CBSE – Grade 12 (Science with Informatics Practices)
Subjects: Physics, Chemistry, Biology, English, Informatics Practices
(Expected Graduation: 2026)

CBSE Grade 10 – Overall Subject Score: 96.6%, recognized as Gulf Topper by *Media One Mabrook*.

CBSE Grade 10 – Informatics Practices (IP) Subject: Scored 100%

I have successfully completed CBSE Grade 12 in Informatics Practices, acquiring a strong foundation in data management, analysis, and computational techniques. The curriculum included:

- Querying and managing databases using SQL
- Data analysis and manipulation with Pandas
- Data visualization using Matplotlib
- Internet and web technologies
- Ethical and societal implications of technology and AI

MY PROJECTS

LifeMastery – Full-Stack Productivity Platform
Website: https://lifemastery.netlify.app
Tech Stack: React.js, Tailwind CSS, Firebase (Auth & Firestore), Chart.js, PWA, Web APIs

- Engineered a full-stack productivity platform with secure Firebase authentication and real-time per-user cloud persistence
- Developed advanced goal management with nested subgoals, deadline tracking, reminders, and dynamic progress visualization
- Built a configurable Pomodoro system with background audio, session logging, and device sleep prevention
- Designed habit tracker featuring streak analytics, AI-generated insights, and speech synthesis
- Integrated AI-powered journaling with automated summaries and productivity analysis
- Implemented gamification (XP system, levels, rewards), offline-first PWA support, and responsive light/dark UI
- Enhanced user productivity and consistency by unifying task management, habit tracking, and focus tools into a single streamlined platform

Monthable – Interactive Month Learning Web App
Website: https://monthable.netlify.app
Tech Stack: HTML5, CSS3, JavaScript (ES6), Web Speech API

- Developed an interactive browser-based learning application to help users practice and memorize months through a guided typing quiz
- Implemented dynamic DOM manipulation and keyboard event handling for real-time letter-card generation and answer validation
- Integrated the Web Speech API to provide audio pronunciation support for enhanced auditory learning

DIGITAL CONTENT CREATION

YouTube Channel – @KarthikVinod9
https://youtube.com/@karthikvinod9

Developed and managed a high-impact technical education channel dedicated to demystifying complex concepts for a global audience of 290+ subscribers. By producing high-quality tutorials on Python programming, mathematics, technological tips and scientific experimentation, I have built a platform that delivers significant educational value, evidenced by top-performing videos

surpassing 22,000 views. I oversee the end-to-end production pipeline—including technical scripting, screen recording, and post-production—ensuring that every piece of content is both pedagogically sound and engaging for a diverse viewership.

Through strategic content optimization and data-driven insights, I have successfully scaled the channel's reach across international borders, establishing a strong viewer base in India, the Philippines, the UAE, Nigeria, and the USA. This project demonstrates my ability to communicate intricate technical information to a multi-cultural audience, bridge knowledge gaps through digital media, and maintain a consistent brand identity. The channel serves as a powerful educational resource, combining technical proficiency with creative storytelling to foster a global community of learners.

TECHNICAL PORTFOLIO

GitHub – ItsKarthikVinod
https://github.com/ItsKarthikVinod

Maintains a GitHub repository showcasing projects in Python, data analysis, and web development. Demonstrates practical implementation of programming concepts, structured code practices, and continuous learning in AI and technology-related domains.

CERTIFICATIONS & ONLINE COURSES

- **Google Analytics for Beginners** – Google Analytics Academy (2025)
- **Python Programming Course Certificate** - IIT Madras India (2025)
- **Python Development & Data Science** – Udemy (2024)
- **Build Face Recognition Application using Python** – GUVI & IITM Pravartak (2021)
- **Introduction to Cybersecurity** – HP Foundation (2024)
- **Agile Project Management** – HP Foundation (2024)
- **Coding & Responsive Web Design** – FreeCodeCamp (2023)
- **Python Course Multiple Languages** – GUVI (Google for Education Partner)
- **Learn MongoDB with Node.js** – Codedamn India (2022)
- **Basic SEO: A Beginner's Guide** – Udemy (2024)

- **Coding and Demonstrating Outstanding Skills** – IIT IIM (2021)
- **Game Development Using PyGame** -GUVI (2021)
- **Achievement for the successful completion of Python** – GUVI (2021)
- **Digital Skills for Work and Life Accenture -**Future Learn UK (2023)
- **Learn HTML and CSS 2024 Ready -** Codedamn India (2024)

ARTIFICIAL INTELLIGENCE & TECHNICAL PROJECTS

- **Face Recognition Application using Python**
  Developed an AI-based face recognition system using Python libraries demonstrating image processing and pattern recognition fundamentals.
- **SDG Oxford Competition – Web & Game Integrated Prototype**
  Designed and developed a functional website prototype integrating a custom-built interactive game.
- **Game Development using PyGame**
  Created interactive games using Python and object-oriented programming concepts.
- **Pharma Robotic Project**
  Conceptual robotics-based healthcare automation model (portfolio available upon request).
- **Website development and Coding Program**
- 2nd Price Winner - International Digital Fest 2025-Saudi Arabia (Organized by Digital Fest - Cyber Square - Saudi Arabia (World's Largest Students Tech Expo)

AWARD AND CERTIFICATES

- Global Innovation & Entrepreneurship Fest Award – Organized by Qutuhal Season 4 GIIS Dubai (2023)
- IIU SATTVA Global Project Completion Certificate – Organized by International Internship University - Sustainable Development Goals (2021)
- Sharjah Sustainability Award 10th Cycle (Best outstanding) – Organized by Sharjah Environment and Protected Areas Authority (2022)
- CBSE GRADE 10 Gulf Topper Certificate – Organized by Media One Mabrook Gulf Topper Dubai (2024)
- Outstanding Achiever and All-round Performer for the Last 4 Years (2021,22,23,24) for the subject IP, English, Mathematics, Science, Social Studies, Hindi & Arabic) 90% Above scored – Wise Indian Academy School Ajman

TECHNICAL SKILLS

- **Programming:**
  Python, HTML, CSS, JavaScript, React JS
- **Core Areas:**
  Artificial Intelligence Fundamentals
  Data Science Basics
  Cybersecurity Awareness
  Agile Project Management
  Computer and Technological Skills
  Seamless adaptation to Technology
- **Tools & Platforms:**
  Google Analytics
  GitHub
  Netlify
  Figma
  Jupiter Notebook
  Vercel
  Cloudinary
  Firebase
  OneSignal
  Visual Studio Code
  PyCharm
  Spyder
  Notion

TECH COMPETITIONS & ACHIEVEMENTS

- First Runner Up (Website / Web Mobile App) – 3rd Edition International Digital Fest, Riyadh, Saudi Arabia– 2024
- First Runner Up (Website / Web Mobile App) – 5th International Digital Fest, University of Dubai– 2025
- DEWAxJunkBot AI Championship – 2023
- Sharjah Sustainability Award – Best Outstanding Team – 2022
- Second Runner Up - Global Innovation & Entrepreneurship Fest Award – GIIS Dubai – 2023
- Inter-School Coding Competition – Coding Challenge – Skyline University College, Sharjah - 2024
- GSS Season 6 RoboTech Challenge – GIIS Dubai – 2025
- IIU SATTVA Global SDG Internship Completion – 2021

LEADERSHIP EXPERIENCE

Senior Head Boy (2024–2025)
WISE Indian Academy, Ajman

- Appointed Senior Head Boy through a competitive interview process, representing a student body of 3,000+ and leading a 60+ member Student Council
- Directed and organized 15+ major school events and awareness programs, including cultural celebrations, academic initiatives, charity drives, and safety campaigns
- Mentored and coordinated prefects to maintain discipline, student welfare, and a positive school culture
- Served as the principal liaison between students and administration, delivering key addresses during formal functions and assemblies
- Spearheaded initiatives promoting inclusivity, environmental awareness, anti-bullying, and career guidance

Deputy Head Boy (2022–2023)
WISE Indian Academy, Ajman

- Elected by peers as Deputy Head Boy, supporting the Senior Head Boy in managing the Student Council
- Assisted in organizing school events, assemblies, and awareness programs across cultural, academic, and social initiatives
- Helped maintain discipline, student welfare, and a positive school environment

---

ACADEMIC HONOURS

CBSE Grade 10 – 96.6%
Subject Topper – Arabic, English, Mathematics & Science
Academic Excellence Award
Outstanding Achiever (90%+ for 3 consecutive academic years)
Grade 7, 8 & 9 Topper

PUBLIC SPEAKING & INTELLECTUAL ENGAGEMENT

- **English Pitch Perfect** - GEMS Our Own English High School Dubai (2023)
- **Public Speaking (Wise Talk) in English** – Wise Indian Academy School Ajman (2021-2025)
- **Debate Compactification** – Online E-BMUN - Indian Education School Bharadiya Vidhya Bhavan – Kuwait (2022)

- **Quiz Competition** - Online Qshala - Science India Forum (2021)
- **Debate Winner** – First Position – Sadhgamaya Ajman
- **Personality Development** – Great Learning Academy India (Online Course – 2023)
- **Aryabhata Ganit Challenge Online** – Ministry of Education & MyGov India (2021)
- **Chandrayaan Mahaquiz Online** – Ministry of Education & MyGov India (2021)

COMMUNITY INITIATIVES

- Safety Awareness Session for Workers – Alwan Alsdaf Electromechanical Company
- Ramadan Charity Event – Wise Indian Academy School
- Refugee Zakat Fund Contribution – UNHCR
